

PDF Export Test

Use this file to test the Markdown PDF Exporter extension in Cursor.

Flowchart

```
```mermaid
flowchart LR
 A[Open this file in Cursor] --> B[Run Export to PDF]
 B --> C[Check docs/test-export.pdf]
```
```

Checklist

- [] Mermaid diagram appears as a graphic in the PDF
- [] Headings and tables render correctly
- [] Code blocks are syntax-highlighted

| Item | Expected |
|-------------|------------------------|
| --- | --- |
| Output file | `docs/test-export.pdf` |
| Diagram | Rendered, not raw code |
